RECEPTIONIST

Louise is known throughout the real estate community for her outstanding competence and dedication to RE/MAX Services. She efficiently answers all incoming calls from buyers, sellers, and potential clients on a daily basis with ease and calm always exuding a positive and professional attitude. Directing people to the information and request they have is second nature to Louise as she has been working and establishing an industry high standard for 16 years with RE/MAX Services. Louise can be counted on to help in every way possible. Whatever the need may be, assistance is on the way when you've reach Louise. Our past clients just love Louise!

SUPPORT STAFF

Since 1985, RE/MAX SERVICES has provided their agents with a world class support staff. They provide the ultimate assistance in every aspect of real estate. Just some of the support services include: listing, sales, agreements, financial transactions, advertisements, computer configurations, website management and properties into TREND MLS. Not to exclude all the office administration/management that is involved with that. A staff of nine employees is always there to aid in our agents so that their clients have a smooth transaction in their real estate experience with RE/MAX Services.

MARKETING

Julie Hill has been a professional graphic designer for almost 30 years. Creating graphics for many national fortune 500 companies, including smaller local organizations. She is responsible for RE/MAX Services' marketing department in Blue Bell. Handling all marketing material for over 65 real estate agents and office staff. She creates all types of graphic support materials: print (brochures, postcards, highlight sheets), listing presentations, web pages and visual tours. Creating marketing campaigns/strategies for agents in today's challenging market. Comfortable with all types of graphic platforms/formats. Julie started in marketing for RE/MAX Services in August 2007.
